VALUATED INFORMATION

Declassified

Class. Change To: IS

Auth.: NE 702
Date: 17/08/78

25X

- a. Third class of the Class of 1927 (22-year olds); entered service on 1 October 1949.
- b. Second class of the Class of 1928 (21-year olds); entered service on 1 October 1949.
- c. Second (sic) class of the Class of 1929 (20-year olds); entered service on 1 October 1949.

2. The following classes are now in the first year of military service, having entered service on 1 October 1950:

- a. Third class of the Class of 1928 (22-year olds)
- b. Second class of the Class of 1929 (21-year olds)
- c. First class of the Class of 1930 (20-year olds)

3. Recruits conscripted in the spring of 1951 have been called to service gradually by means of call-up cards. Those who have not yet been called are expected to be called on 1 October 1951.* The following contingents have entered service since the spring of 1951:

- a. Third class of the Class of 1929 (22-year olds), and the remainder of enlistees from previous classes who had not yet served their two years.
- b. Second class of the Class of 1930 (21-year olds). Almost all of this class was drafted.
